

Château de Bellet

CHÂTEAU DE BELLET ROSÉ 2021

Certified organic wine

AOP Bellet

100 % Braquet

2 to 3 years

Perfect for aperitif, this rosé will perfectly accompany a red mullet salad or octopus "à la provençale"

For desert, we suggest an goat milk and red currant icecream or an orange filled with orange sorbet.

Serve at 12°C

" A simple look on a flower and here 's a day filled with happiness "
Céline Blondeau

TASTING NOTES

The beautiful shining salmon robe displays orange reflections. The first nose is very "gourmand" and opens with notes of apricot underlined by delicate spicy notes of safran and nutmeg. On the palate, the attack is fresh and revolves around notes of orange sorbet. It continues with delicate and fine notes of crystallised violet and rose. The tannic structure completes this very elegant wine.

THE TERROIR

The unique soil, called "Poudingue", is made of pebbles rolled from Pliocene era and a clear compact sand with clay veins. Planted on the hills of Nice, the vineyard overlooks the Mediterranean Sea. In the background, we can admire the Alps and the Var Valley. Located between 200 and 300 meters above sea level and benefits from great sunshine all year round (2,700 hours per year).

The breath of sea and alpine winds, offers a slow maturation process, necessary for the freshness and elegance of the wines of Bellet.

THE VINEYARD

The vineyard is cultivated using organic farming methods.

Situated at the peak of the AOP Bellet, the vineyard benefits from a south, south-west sun exposure.

The Barons of Bellet family gave their name to this winery and to the appellation while their motto, "res non verba", remains at the heart of everything we do. And so, for over 400 years, « actions over words » has made the greatness and uniqueness of Chateau de Bellet wines.
