

LE CHÂTEAU DE BELLET

A UNIQUE PLACE FOR A
TAILORED EVENT

HISTORY AND MODERNITY

Barons de Bellet founded their estate on the hills of Nice in the XVIIIth century. This family gave its name to one of the oldest appellation in France, founded in 1941.

The Chapel, visible for kilometers is surrounded by the vines, is in the middle of the vineyard. The chapel was erected in honour of Agnès de Roissard, the wife of the 5th Baron de Bellet, in 1873 when she passed away aged 23.

The semi-circular and semi-underground cellar has been built in 2015, bringing a touch of modernity to the estate.

AT THE HEART OF AN EXCEPTIONAL VINEYARD

In this historical vineyard exceptional wines are produced, which accompanied the greatest occasions, especially the wedding of Prince of Monaco Albert and the princess Charlène.

Braquet, Folle Noire and Rolle are the most important varietals used to make Château de Bellet's outstanding wines. The whites are the flagship wines of the estate; characterised by the unique expression of the Rolle on the local soil: poudingue (sand, clay and pebbles). They stand out due to their depth, their delicacy and their tremendous ageing potential.

Reds and rosés distinguish themselves through their autochthonous varieties, typical of the appellation: Folle Noire and Braquet.
