TASTING NOTES

A deep golden yellow colour with brilliant highlights.

The first nose is very open. The varietal aromas characteristic of the grape variety (pear, exotic fruit) can be appreciated, then quite quickly the tertiary aromas of wood take over (undergrowth, truffle). When the wine is aired, it once again reveals the typical citrus flavours of the grape variety and a hint of iodine characteristic of the terroir.

On the palate, the structure is fine and fine, underlined by notes of almond and aniseed.

The finish is long, full, pleasant and salivating.

Serve at 13°C. Best drunk in 2025/2026.

THE TERROIR / THE LAND

Planted on the hills of Nice, Château de Bellet vines overlook the Mediterranean Sea. In the background, we can admire the Alps and the Var Valley. The vineyard is located between 200 and 300 meters above sea level and benefits from great sunshine all year round (2,700 hours per year).

Coming from both the sea and the Alps, the wind provides a slow maturing process to the vines which is crucial for the freshness and elegance of Bellet wines. The unique soil is made of Poudingue (compact combination of pebble stones and sand) with a few clay veins.

THE WINERY

Located on the top of the appellation, the vines benefit from South and Southwest exposures. We practice traditional viticulture, weeding and working the soil in a natural way. The Barons of Bellet family gave their name to this winery and to the appellation while their motto, "res non verba", remains at the heart of everything we do. And so, for over 400 years, « actions rather than words » has made the greatness and uniqueness of Chateau de Bellet wines.
